Rebecca,

As discussed, attached is the guidance previously issued by Wade for DOH employees. I think that we can probably continue to use this for DOH and that a similar approach should work for DLNR. It will not work for the BWS however because they do not receive their legal advice from the State AG's Office. The direction could be improved by specifically referencing the final AOC and section 10(d) of the AOC, but I don't think it is necessary at this point unless other's disagree.

v/r,

Steven Daugherty  
Associate Counsel, NAVFAC PAC
